ACLS PROVIDER

16 HRS MEDICAL/TRAUMA - ALS ONLY

This 16 hour ACLS Provider Course is designed to provide the knowledge and skills needed to evaluate and manage the first 10 minutes of adult ventricular fibrillation/ventricular tachycardia (VF/VT) arrest. Providers are expected to learn to manage 10 core ACLS cases: a respiratory emergency, on four types of cardiac arrest (simple VF/VT, complex VF/VT, PEA, and asystole), or four type of prearrest emergencies (bradycardia, stable tachycardia, unstable tachycardia, and acute coronary syndromes), and stroke. BOOK REQUIRED: American Heart Association Advanced Cardiac Life Support

SHARON REGIONAL HEALTH SYSTEM	7/13/2009 - 7/18/2009	M & W	4:00PM - 7:00 PM (M & W) 8:00AM - 5:00PM** (S)	Fee: \$75 Out-of-State \$165	XGC121 57905	N09SS
JEFFERSON REGIONAL MEDICAL CENTER	9/12/2009 - 9/13/2009	S & U	8:00AM - 5:00PM	Fee: \$75 ** Out-of-State \$165	XGC121 57902	N09FA
SHARON REGIONAL HEALTH SYSTEM	11/16/2009 - 11/21/2009	M & W	4:00PM - 7:00 PM (M & W) 8:00AM - 5:00PM** (S)	Fee: \$75 Out-of-State \$165	XGC121 57906	N09FA

ACLS PROVIDER RECERTIFICATION

8 HRS MEDICAL/TRAUMA - ALS ONLY

This 8 hour course is to re-verify and update skills and knowledge of Advanced Cardiac Life Support (ACLS) provider. This course is limited to persons who have previously completed the 16 hour ACLS Provider course and desire to recertify their competency. BOOK REQUIRED: American Heart Association Advanced Cardiac Life Support

SHARON REGIONAL HEALTH SYSTEM	7/18/2009	S	8:00AM - 5:00PM	Fee: \$75 ** Out-of-State \$130	XGC143 57929	N09SS
JEFFERSON REGIONAL MEDICAL CENTER	9/13/2009	U	8:00AM - 5:00PM	Fee: \$75 ** Out-of-State \$130	XGC143 57926	N09FA
JEFFERSON REGIONAL MEDICAL CENTER	11/13/2009	F	8:00AM - 5:00PM	Fee: \$75 ** Out-of-State \$130	XGC143 57927	N09FA
SHARON REGIONAL HEALTH SYSTEM	11/21/2009	S	8:00AM - 5:00PM	Fee: \$75 ** Out-of-State \$130	XGC143 57930	N09FA

ALS SKILLS REVIEW

2.5 HRS MEDICAL/TRAUMA - ALS ONLY

This 3 hour program is for advanced life support providers who need to re-verify their skills on an annual basis to maintain medical command and update the student on new technology, techniques and pharmacology.

BRENTWOOD EMS	9/17/2009	R	9:00AM - 12:00PM	Fee: \$0 ** Out-of-State \$15	XGC102 57870	N09FA
JEFFERSON REGIONAL MEDICAL CENTER	11/11/2009	W	6:30PM - 9:30PM	Fee: \$0 ** Out-of-State \$15	XGC102 57872	N09FA

Search for the most current list of CCAC PSI Classes, REGISTER and pay on-line through: <https://ccacentral.ccac.edu/datatel/openweb/ce/cemenu.html>

NOTE: If the program has a \$0 cost and your a PA Resident - you don't need to complete the payment section.

**** FEE FOR OUT-OF-STATE RESIDENTS ONLY.** *Out-of-State is defined as anyone who lives in a state other than Pennsylvania - even if a PA employer is paying for the program*

REFUND POLICY: Students not attending the program must notify the CCAC Public Safety Institute in writing BEFORE the first class session of their withdrawal in order to receive a refund.

IF YOU HAVE ANY QUESTIONS, FOR A LISTING OF ADDITIONAL PROGRAMS AND COURSE DESCRIPTIONS CONTACT THE CCAC PUBLIC SAFETY INSTITUTE: 412-237-2500 OR psi@ccac.edu

BASELINE VITALS & SAMPLE HISTORY

2 HOURS MEDICAL/TRAUMA ALL PROVIDERS

This 2 hour course will instruct students on how to obtain vital signs, including pulse, respiration, blood pressure, skin and pupils. This course will explain how to obtain an accurate SAMPLE history and the proper documentation on a prehospital care report. This course is approved for 2 hours medical/trauma credit with the PA DOH.

JEFFERSON REGIONAL MEDICAL CENTER	6/17/2009	W	6:30PM - 8:30 PM	Fee: \$0 ** Out-of-State \$15	XIA378 57806	N09FS
-----------------------------------	-----------	---	------------------	----------------------------------	--------------	-------

BLS FOR HEALTHCARE PROVIDERS

This 4.5 hour BLS for Healthcare Provider program is designed to teach the knowledge and skills necessary to perform CPR for victims of all ages and relief of foreign-body airway obstruction (FBAO). This program is intended for participants who provide health care to patients in a wide variety of settings. Students will learn airway management using barrier device and adjuncts and use of the AED. Successful course completion will include course completion card valid for 2 years.

CCAC ALLEGHENY CAMPUS	7/17/2009	F	8:00AM - 12:30PM	Fee: \$50 ** Out-of-State \$100	XIA470 57835	N09SS

CCAC ALLEGHENY CAMPUS	9/4/2009	F	8:00AM - 12:30PM	Fee: \$50 ** Out-of-State \$100	XIA470 57837	N09FA
CCAC ALLEGHENY CAMPUS	10/16/2009	F	8:00AM - 12:30PM	Fee: \$50 ** Out-of-State \$100	XIA470 57838	N09FA
CCAC ALLEGHENY CAMPUS	11/13/2009	F	8:00AM - 12:30PM	Fee: \$50 ** Out-of-State \$100	XIA470 57839	N09FA
CCAC ALLEGHENY CAMPUS	12/11/2009	F	8:00AM - 12:30PM	Fee: \$50 ** Out-of-State \$100	XIA470 57840	N09FA

BLS SKILL REVIEW

4 HOURS MED/TRAUMA ALL PROVIDERS

This 4 hour program is designed for basic and advanced life support providers who need to reverify their skills on an annual basis to maintain skill performance efficiency and update the student on new technology, techniques and pharmacology.

JEFFERSON REGIONAL MEDICAL CENTER	9/16/2009	W	6:30PM - 10:30PM	Fee: \$0 ** Out-of-State \$30	XIA429 57809	N09FA
-----------------------------------	-----------	---	------------------	----------------------------------	--------------	-------

DIFFICULT PATIENT PACKAGING

2 HRS MEDICAL/TRAUMA 2 HRS OTHER - ALL PROVIDERS

This 4 hour program explains how packaging of patients in certain rescue situations can be very difficult. This course reviews the basics of patient packaging and then expands it into situations where patient packaging can be more challenging and technical. Situations covered include high angle, confined space and trench rescue.

TITUSVILLE FIRE DEPT	8/18/2009	T	6:30PM - 10:30PM	Fee: \$0 ** Out-of-State \$25	XIA218 57814	N09SS
SHARON REGIONAL HEALTH SYSTEM	9/10/2009 - 9/10/2009	R	6:30PM - 10:30PM	Fee: \$0 ** Out-of-State \$25	XIA218 57815	N09FA

DO NOT RESUSCITATE (DNR)

1.5 HRS OTHER - ALL PROVIDERS

This 2-hour course is intended to educate EMS personnel and providers about Act 59 and how it effects the treatment they should provide to a patient with a valid out-of-hospital DNR order in Pennsylvania. (This program is eligible for 1.5 hours of other continuing education for all prehospital providers by the PA DOH.)

JEFFERSON REGIONAL MEDICAL CENTER	12/9/2009	W	6:30PM - 8:30 PM	Fee: \$0 ** Out-of-State \$15	XIA283 57802	N09FA
-----------------------------------	-----------	---	------------------	----------------------------------	--------------	-------

EMERGENCY VEHICLE OPERATIONS (NSC)

10 HRS OTHER - ALL PROVIDERS

This 10 hour course provides instruction for emergency personnel who may be involved in operating emergency vehicles. The student will be introduced to how to effectively operate a vehicle during an emergency response, understand the necessity of vehicle maintenance, and other areas of overall vehicle operations. Students will be required to successfully complete a driver training obstacle course. Prerequisites: Valid Drivers' license. Each student shall provide, with valid proof of inspection and insurance, the emergency vehicle that they intend to utilize during the obstacle course portion of the program.

CONNEAUT LAKE VFD	7/6/2009 - 7/9/2009	M & R	5:00PM - 10:00PM	Fee: \$10 ** Out-of-State \$75	XIA171 57811	N09SS
-------------------	---------------------	-------	------------------	-----------------------------------	--------------	-------

EMT - PARAMEDIC PROGRAM

This 644 hour program is the second level required of training in the EMS career structure. This academic program will provide the students with the necessary didactic information, combined with the mandated clinical training to be eligible for the National Registry EMT Paramedic Certification Examination. This EMT Paramedic Training Program will require that all students register for XXB460 (Didactic Instruction) and XXB450 (Clinical Instruction) as co requisite classes for this program.

The topics include in this class will include but not be limited to: Patient assessment; anatomy & physiology; respiratory and endocrine emergencies; cardiovascular and general medical emergencies; traumatic situations; shock and fluid therapy; infection diseases; pediatrics, geriatrics and neonatal emergencies.

CCAC adheres to the national standards that have been established that specifically define the role and performance criteria of the EMT-Paramedic. Based upon those standards, a curriculum was developed under the auspices of the US Department of Transportation (DOT). This "Training Program for EMT-Paramedic National Standard Curriculum" is used to train EMT-Paramedic personnel. Prerequisites: Current PA EMT Certification, 18 years of age and High School diploma or GED. NOTE: Enrollment in this program will include co-enrollment in the Clinical portion of the EMT Paramedic Program (XXB450). REQUIRED: Caroline Emergency Care in the Streets, 6th edition; publisher AAOS/Jones & Bartlett

CCAC ALLEGHENY CAMPUS	9/14/2009 - 11/22/2010	M-W	6:30PM - 10:30PM (M-W) 8:00AM - 5:00PM (\$)*	Fee: \$850 Out-of-State \$2255	XXB460 57721	N09FA
MEDICAL RESCUE TEAM SOUTH	9/14/2009 - 11/22/2010	M-W	6:30PM - 10:30PM (M-W) 8:00AM - 5:00PM (\$)*	Fee: \$850 Out-of-State \$2255	XXB460 57724	N09FA

MON VALLEY HOSPITAL EDUCATION CENTER	9/15/2009 - 11/23/2010	T-H	6:30PM - 10:30PM (T-H) 9:00AM - 5:30PM (\$)*	Fee: \$850 Out-of-State \$2255	XXB460 57725	N09FA

EMT-BASIC

This 152 hour course covers all techniques of emergency medical care presently considered within the responsibilities of the EMT, as well as operational aspects of the job, which they will be expected to perform. This program follows the National Standard Curriculum as adopted by the Commonwealth of Pennsylvania. Topics covered include an overview of the EMT's job, a description of the training course, and an overview of anatomy and physiology. Included in this program are lessons on life threatening emergencies, muscular skeletal injuries, common medical emergencies, childbirth and problems of pediatric patients, lifting and moving patients, environmental emergencies, extrication from automobiles, and operation aspects of the EMT's job. Each lesson provides for practice of the skills taught in that lesson. The course also includes a final written exam of knowledge and a final practical evaluation of skills. Students must be 16 years of age at first class session BOOK REQUIRED: AAOS Emergency Care & Transportation of the Sick & Injured, 9th Edition revised; publishers: Jones & Bartlett

INTERNATIONAL TRAUMA LIFE SUPPORT

16 hours medical/trauma for all levels

This 16 hour International Trauma Life Support course is available for both advanced life support (ALS) and basic life support (BLS) providers. The course focuses on the prehospital care of trauma patient's injuries for either certification level. Course content includes trauma patient assessment, stabilization of the trauma patient, rapid extrication techniques, and several advanced trauma skills. The advanced skills the student is introduced to include both needle thorocentesis and cricotracheostomy. Students will be able to provide proper treatment of a trauma patient no matter their geographical location. ALS PREREQUISITES: Current Paramedic, RN, Physician. BLS PREREQUISITES: Current EMT.; BOOK REQUIRED: 6th Edition ITLS

WARREN COUNTY EMS	10/17/2009 - 10/18/2009	S & U	9:00AM - 6:00 PM	Fee: \$125 ** Out-of-State \$260	XIA004 57807	N09FA
-------------------	-------------------------	-------	------------------	-------------------------------------	--------------	-------

MEDICAL ASSESSMENT

4 HRS MEDICAL/TRAUMA - ALL PROVIDERS

This 4 hour program discusses the mechanism of injury and nature of illness related to medical and trauma patients. The student will be instructed in the manner of rapid trauma assessment; recognizing chief complaint of the patient; and assessing both conscious and unconscious medical and trauma patients.

TITUSVILLE FIRE DEPT	8/5/2009	W	6:30PM - 10:30PM	Fee: \$0 ** Out-of-State \$30	XIA277 57804	N09SS

Medical Grand Rounds - 3 hours

3 med/trauma - All providers

This 3-hour program with healthcare professionals will discuss the assessment and treatment of a medical patient. A PA DOH Medical Command physician will review actual patient cases who were victims of medical emergencies. The students in this interactive session will be able to learn from the material presented related to these "real" life situations. This course has been approved by the PA Department of Health for medical/trauma continuing education for both the ALS and BLS prehospital providers. This review material will meet all HIPPA requirements.

JEFFERSON REGIONAL MEDICAL CENTER	10/21/2009	W	6:30PM - 9:30PM	Fee: \$0 ** Out-of-State \$25	XIA368 57810	N09FA
-----------------------------------	------------	---	-----------------	----------------------------------	--------------	-------

ONLINE ACLS PROVIDER

This web based ACLS Provider Course is designed to provide the knowledge and skills needed to evaluate and manage the first 10 minutes of adult ventricular fibrillation/ventricular tachycardia (VF/VT) arrest. Providers are expected to learn to manage 10 core ACLS cases: a respiratory emergency, on four types of cardiac arrest (simple VF/VT, complex VF/VT, PEA, and asystole), or four type of prearrest emergencies (bradycardia, stable tachycardia, unstable tachycardia, and acute coronary syndromes), and stroke. Upon successful completion of this Internet program, the student will be awarded up to 6 hours of continuing medical education through the American College of Emergency Physicians (ACEP). To receive an ACEP Certification Card, the student must complete a practical skills test. (Student textbooks may be purchased directly from Jones and Bartlett Publishing.)

ON-LINE	6/1/2009 - 6/30/2009	ONLINE		Fee: \$50 ** Out-of-State \$50	YXB401 57817	N09FS
---------	----------------------	--------	--	-----------------------------------	--------------	-------

ONLINE ACLS PROVIDER PRACTICAL EXAMINATION

This class is designed to test the competencies of the student related to Advanced Cardiac Life Support. Successfully completion of YXB401 (Online ACLS is required prior to entry). Upon successful completion of this program, the student will be awarded the American College of Emergency Physicians (ACEP) Certification Card for Advanced Cardiac Life Support.

BY APPOINTMENT ONLY	6/1/2009 - 6/30/2009	BY APPOINTMENT ONLY	Fee: \$25 ** Out-of-State \$25	YXB402 57824	N09FS
---------------------	----------------------	---------------------	-----------------------------------	--------------	-------

ONLINE ADULT CPR

Learn to save the life of a loved one, friend, co-worker, or a citizen in your community with the skills you learn in this highly interactive Adult CPR Course. The victim of an emergency such as a heart attack, cardiac arrest, stroke, or foreign-body airway obstruction (choking) can be saved if people at the scene act quickly to start the Chain of Survival. In this course, you will learn the critical actions that compose the chain of survival. You will learn the symptoms, methods of treatment including rescue breathing, adult CPR using the latest CPR guidelines, and how to operate an automated external defibrillator (AED), prevention practices, and when to call 911.

ON-LINE	6/1/2009 - 6/30/2009	ONLINE	Fee: \$15 ** Out-of-State \$15	YXB412 57810	N09FS
---------	----------------------	--------	-----------------------------------	--------------	-------

ONLINE ADULT & PEDIATRIC CPR

As a childcare provider, you have the important job of caring for and nurturing young children. In addition to the nurturing aspects, you must be thinking constantly about the safety of children. The Pediatric CPR Course bridges the gap between traditional adult CPR and the special needs for infants and children. This course will teach you basic life support including rescue breathing, CPR using the latest CPR guidelines, and care for foreign-body airway obstruction (choking). Providing basic life support is the most important contribution you can make to a child's welfare.

---------------------	----------------------	---------------------	-----------------------------------	--------------	-------

ONLINE FIRST AID TRAINING

Most people will eventually find themselves in a situation requiring first aid, either for themselves or for others. Properly applied, first aid can mean the difference between life and death, rapid recovery and long hospitalization, or temporary versus permanent disability. Consistent with OSHA regulations for first aid training in the workplace, the First Aid Course covers bleeding, broken bones, burns, seizures, and heat and cold related emergencies. After all, it is better to know first aid and not need it than to need it and not know it.

ON-LINE	6/1/2009 - 6/30/2009	ONLINE	Fee: \$15 ** Out-of-State \$15	YXB418 57810	N09FS
---------	----------------------	--------	-----------------------------------	--------------	-------

ONLINE PEPP (Pediatric Respiratory Emergencies)

The goal of this PEPP Provider Course is to teach students how to recognize the signs for infants and children at risk for cardiopulmonary arrest, to provide students with strategies for preventing cardiopulmonary arrest in infants and children, and to teach students how to perform the cognitive and psychomotor skills for resuscitating and stabilizing infants and children in respiratory failure, shock, or cardiopulmonary arrest. Prerequisite: Certification/license as an EMT-P, PHRN, MD, DO, or RN. Upon successful completion of this Internet program, the student will be awarded up to 7 hours of continuing medical education through the American College of Emergency Physicians (ACEP). To receive an ACEP Certification Card, the student must complete a practical skills test. (Student textbooks may be purchased directly from Jones and Bartlett Publishing.)

ON-LINE	6/1/2009 - 6/30/2009	ONLINE	Fee: \$50 ** Out-of-State \$50	YXB403 57818	N09FS
---------	----------------------	--------	-----------------------------------	--------------	-------
